If you would like to book the praise team for a meeting or event then see the contact details at the bottom of the page. We can organise everything from praise to testimonies, speakers and soloists

As you can see, we can cater for a number of events,

ETERNITY SOCIALS – *The History*

Eternity Socials was set up in March 2004. Since then we have been involved in numerous Christian fund raising events across this land, ranging from Londonderry to Larne, Cookstown to Carrickfergus, Tobermore to Tipperary and even over the sea in Scotland!

Our team consists of around six people. Chris Armstrong runs the group with others assisting if and when necessary. We use a website to advertise events and promote our cause which can be found at: www.eternitysocials.com.

In 2009 we were asked to conduct a small youth meeting outside Ballygawley, due to the success of this and the satisfaction we got from this new direction, we decided to become more involved in this kind of work and since have branched out into youth work with "Eternity Worship". Please see the back cover to read about this.

Our aims are outlined as follows:

- To share the gospel of our Lord Jesus Christ
- To provide a place for young people to meet away from the pressures of alcohol and such like substances
- To provide a place for like minded Christians to meet and have fellowship in a neutral environment
- To raise money for Christian organisations, charities and missionary work throughout the world

We want the verse in our logo to be a symbol to show young people that we are working for God and no one else. It's a living testimony of our faith through works and our steadfastness to the word of God in his bible.

At each social we gain the attention of the young people for a short time through the epilogue, telling them of their need to separate themselves from the sinfulness of this world and trust in the Lord Jesus Christ or else they will face a lost eternity.

ETERNITY SOCIALS – *The Socials*

The socials now are into their 11th year and we are still growing in reputation as well as numbers of new venues. They're great craic for young people as well as some of the older ones in the form of Family Events, so there is room for everyone and anyone who wants to take part.

If there's an excuse for a party, you can count us in! The socials consist of a series of line

dances, a few traditional ceidlah games such as Strip The Willow and the Waves of Troy and a quantity of couples games to name only a few. Audience participation is always very good and everyone is up for a laugh!

The socials we provide can be used for fund raising. Usually there would be an admission fee and after expenses are taken out the money can be donated to a charity or used to fund

a church project or mission trip. It's a great means of a low cost way to raise funds you your desired project.
